Dear OCSI Families,

OCSI Summer Academy's mission is to equip English-learning students with 21st Century skills and knowledge to effectively walk with Jesus and impact the world for Him. This year we are excited to offer half day clinics for Middle and High School Students. These clinics will run from 8:25-12:00 with a Cezars lunch included in the price. These clinics are open to all current and incoming (accepted or waitlisted) OCSI students in grades 6th-12th. This year we are also excited to open our program to any 6th-12th grade students who currently reside in Japan. Please note that our program is all in English and no Japanese support will be available during these three weeks. We strongly recommend that students have at least a conversational English ability before enrolling. Students may enroll in either one, two, or all three weeks.
