

OKINAWA CHRISTIAN SCHOOL INTERNATIONAL

HIGH SCHOOL PROFILE 2023-2024

GENERAL OVERVIEW

Founded in 1957, Okinawa Christian School International provides comprehensive educational support base for the international community living in Okinawa, Japan. The school operates from its campus in the village of Yomitan overlooking the East China Sea. Situated in a suburban setting, the school is about fourteen miles (23 kilometers) north of Naha, Okinawa's capital city.

EDUCATIONAL OVERVIEW

OCSI is committed to excellence in providing an educational program firmly established in Biblical truth. The school uses an American-based, Biblically-integrated curriculum. In addition to classes in English, mathematics, social studies, and science, we also offer courses in art, computer, music, Japanese, and physical education.

There are three divisions: elementary school (Pre K – grade 5), middle school (grades 6–8), and high school (grades 9–12). OCSI admits students from all backgrounds and languages, however; second language students must meet basic English proficiency levels for admission.

The curriculum prepares students for post-secondary education or for employment, while reflecting an international perspective. The teaching style, curriculum, and school calendar are compatible with the American educational system. Instruction in a cross-cultural environment encourages bilingualism, and English is the language of instruction.

PERSONNEL

The OCSI staff consists of 48 faculty, 23 staff, 6 administrators, and 2 college and career counselors.

SCHOOL FACILITY

The physical plant includes 37 classrooms, two libraries, two computer labs, three science labs, wood shop, and gymnasium.
