# GREETINGS

Thank you for considering participation in the Okinawa International College and Career Fair on November 4, 2024. We are grateful that you can help not only our students, but also students from other international schools, US military schools, and, local Japanese schools to identify their future educational opportunities. College is a vital step for the development of students, and we appreciate your partnership. While you are here, we trust that you will enjoy our warm welcome, the beauty of Okinawa, and the cultural diversity of our students. Thank you again for participating in the OCSI International college Fair.

この度は2024年11月4日(月)に開催のインターナショナルカレッジフェアへの参加をご検討いただき誠にありがとうございます。皆様の参加が本校生徒のみならず、県内のインターナショナルスクール、米軍基地内スクール、地元高校生を支援し、彼らの将来について考える機会を与えてくださることは私たちにとっても大きな喜びです。大学進学は学生の成長にとって大切なステップの1つです。今回、当フェアのパートナーとしてご協力いただける事を心より感謝し、皆様の沖縄滞在を歓迎いたします。また、沖縄の素晴らしい自然を満喫し、多様な文化をもった生徒達との出会いを喜んでいただける事を願っております。

# LOCATION

Okinawa is a group of islands located in the southernmost part of Japan that offers a fascinating mix of culture, history, and natural beauty. Okinawa is famous for its stunning beaches, clear blue waters, and incredible marine life.

The people live in near-perfect tropical conditions, where the average temperature is 73.4 degrees (23 °C). By day they swim in turquoise waters off the board, sandy beaches and by night they dine on fresh pineapple under starry skies. These paradisiacal islands in the East China Sea between Taiwan and the Japanese mainland are a place where many have dreamed of living.

Naha, the capital, lies roughly at the center of the group in southern Okinawa Honto, The largest Island.

The average temperature for November in Okinawa is 23.8°C (74.8°F).
